

Computer Area Rules:

- Everyone is allowed a maximum of 3 hours of computer use per day.
- No additional time will be granted if others are waiting.
- Children under 10 may not use the internet unless supervised by a parent or guardian.
- Library staff are available to assist but cannot provide in-depth searching or technical support.
- Food and drink are not permitted in the computer area.
- Cell phone usage that disturbs others is prohibited.
- Headphones must be used for loud audio.
- Delete any items you have saved on the computer to ensure your privacy.
- This is a public library; therefore, sites deemed inappropriate are not permitted. We follow Federal CIPA guidelines.
- Users must comply with copyright laws.
- Do not damage, alter, or unplug any library property.
